

Arrows of Darkness (World of Arcas Book 2)

Jackson returns to Arcas expecting to find peace greatly lacking within his own home. But when a violent archer takes over as Lord of the White Palace, the future of the ancient kingdoms is shaken. Frightening creatures have overtaken the beautiful Starling Forest, destroying everything in their path. Jackson and Nekkar narrowly escape the beasts together, but Nekkar blames the Son of Earth for releasing the present darkness in Arcas. The rocky, new friendship strengthens as they journey through dangerous lands toward the Free Realms. Can their loyalties survive when the beautifully gutsy Princess Andromeda interrupts their quest and the darkness of war batters their souls? While Rigel, Otava, and Merope work together to rescue the six sisters trapped at the White Palace, Sephdar returns from shadowy crusades to find White Wings army leaderless. The new self-proclaimed ruler has a plan for the Seven Sisters and a plan for The Bridge to Earth. But when his ambitious arrows pierce the peaceful kingdoms, an unlikely force confronts the dark lord and the future of the crowns is changed forever. Hold to your axe and hold to your lass as you join Jackson to combat the darkness spreading through the world of Arcas. But remember, the most powerful arrows do not pierce the body but the soul. Read more about Jackson's first journey into the world of Arcas in the book: *The Hunter, the Bear, and the Seventh Sister*.
