

## Auer, Leopold - Graded Course of Violin Playing - Book 6 for Violin - Fischer Edition

Leopold Auer (1845-1930) was considered one of the most important pedagogues of the violin. Jascha Heifetz and many other famous violin virtuosos have studied with him. Auer composed the Graded Course of Violin Playing series to provide an outline of violin study which would differ in many respects from the instructive plan of existing methods of the old stereotyped pattern. (Text taken from the author.) This series contains 8 books- Book 1 Preparatory Grade Whole book of open string exercises with a variety of bowing and rhythm techniques to establish the correct position of the body and tone-production before placing the fingers. Book 2 Pre-Elementary Grade Setting four fingers on each of the strings. Book 3 & 4 Elementary Grade A system of scale and chord studies along with etudes and songs for the first position. Book 5 & 6 Advanced Grade Higher positions with study material of the medium advanced and advanced grades. Book 7 Difficult Grade The advanced varieties of bowing. Book 8 Virtuoso Grade Provides preferred concert solos and cadenzas from the most popular concertos. This is Book 6. Composed by Leopold Auer. Published by Carl Fischer.
