

Before Leonora Wakes (Division Book 1)

In the first Division Mythos book, *Before Leonora Wakes*, Red Piccirilli is a runt, a dreamer, a naive boy with an imaginary friend and little else. But right before summer vacation starts he finds an albino girl trapped in a shed behind a local house. After Red frees her, the world he knew quickly unravels into something more mysterious and unsteady reality where a man with silver teeth and buzz saw voice points him toward the true meaning of sacrifice. With his friendship tested, he fights for life to be as it once was, but he finds out that things can never be the same once the strange girl wakes.
