In this book you will find dozens of illustrations with complicated to simple zen mandalas. All of the artists designs were created from the artists hand-drawn original inspired sketches which were manipulated into kaleidoscopic mandalas surrounding a quotes of wisdom resulting in graphically complimentary illustrations with loads of potential for adding color. You will find more complicated images in this coloring book, including heavy lined drawings with simple shapes and designs and more fine-art styles with varied line weights (thin to medium). What can you do with the book once you have finished? Once the designs in this book are colored give the books as gifts, use pages as scrapbook background art, create greeting cards, or use the designs and use in multi-media art. Frame them and hang them in the office, classroom, or at home where the designs can continue to inspire

friends, family, and co-workers. The possibilities are endless! The artist has been sketching, coloring, drawing in sketchbooks since age five. After completing 14 coloring books over the last two years, she was looking for another topic to draw lovely images for her next effort. These 50+ images coloring book were drawn just for BIG KIDS at heart. These designs were created from the artists hand-drawn original inspired sketches resulting in graphically complimentary black and white spaces with loads of potential for adding color. This coloring book has the intensity of design in the mandalas, but also the simplicity of simple doodles or complicated illustrations and inspired art that allow the reader (and budding artist) to pick and chose their favorite design, and then use colored pencils, markers, acrylics, or even crayons to add their own brilliant color combinations. How can BIG KIDS (regardless of chronological age) use this coloring book?
