

Book 19 - Hourglass Body Shape with a Long-Waistplacement (Your Body Shape by Waistplacement)

Do you know you look Divine in a shirtwaist or fitted and flared dress but you struggle to find them to fit your Natural-waistplacement? Why is it that you can never find these Silhouettes in tops, gowns, jackets, or coats? When you're in the fitting room, do you find Silhouettes fit far above your Natural-waistline? Have you wondered why even the slightest embellishments on fabrics or Silhouettes make you appear thicker? Would you like to know the best way to wear a skirt or which trouser Silhouettes are the best for your Body Shape and Waistplacement? Have you realized you look best when jackets have defined shoulders and waists or that big patched pockets will make you appear wider in the hips? It is not a weight issue -- IT IS a Waistplacement issue. You have far more length in THE SPACE OF THE WAIST than any other Hourglass Body Shape. With this guide for Hourglass L, Long in THE SPACE OF THE WAIST, learn how to celebrate your Assets, maximize your style, dress with confidence, and love the body you have!
