

Bourne on Company Law

An ideal introductory textbook, Bourne on Company Law offers a succinct overview of the fundamental areas covered in LLB and GDL courses. The text is clear and easy to follow, being presented in short, sub-headed sections for ease of navigation, and is thoroughly cross-referenced to highlight connections across topics. Written for both law and non-law students, this text offers straightforward explanations of all key cases, as well as chapter summaries and end of chapter questions to aid understanding. The book is also supported by a companion website offering self-test questions, a useful glossary and annotated web links.
