

Children and Their Development Plus MyDevelopmentLab Pegasus with etext -- Access Card Package (6th Edition)

Research Made Relevant Children and Their Development, 6e demonstrates how research translates into practice. Written by a well-known and respected researcher in the field of child development, this topically organized text uses unique and effective pedagogy as its main framework. The book focuses on practice through its accessible writing, modular format, and application-based features, such as: Focus on Research, Cultural Influences, Spotlight on Theories, Improving Childrens Lives, and Child and Development and Family Policy. Topic coverage includes the prenatal period through adolescence, which best suits Child Development courses in Psychology, Education, Human Development, Child and Family Studies, and Early Childhood Education.
