

## God Before Me, God Above Me

In God Before Me, God Above Me; you can be provided with a clear picture of the love of God from creation to the cross. This book will explain how he longs for his people to really know him, even to the point of sending his son to die for our redemption. But through it all, God never gets to the point of sacrificing his justice or his holiness. Gods justice and holiness remain in tact but through his perfect love he is able to show us his mercy and grace.
