

The Dream Merchant Saga: Book Two, the Silver Sword

In this sequel to *The Magic Crystal*, having survived their first big misadventure thanks more to luck than skill, fate conspires once again to force Princess Rose, Tag and Cankles to embark on another perilous quest. This time, Loken the nefarious, shape-shifting Sprite steals away with the dreamstone that is imbued with the power to make wishes come true. Fearing the Sprite will deliver the magic crystal to the evil Sorcerer, Tag and Cankles undertake this mission with the reluctant Princess in tow. Armed with nothing more than sheer determination and an old, cherished sword, the three unlikely friends must move in secret. Tag must find the courage to meet his destiny head-on as they race against time toward the treacherous Dragon Lands to hunt down Loken. They must stop him before he hands the magic crystal to the malevolent Sorcerer so he can use it to unleash its true powers on this realm, a terrible magic that will allow Dragonites dreams to come true, while immersing the world in a terrifying nightmare.
