

Enjoy Playing Guitar: Christmas Crackers: 14 Easy Arrangements with Flexible Accompaniments

Enjoy Playing Guitar: Christmas Crackers is a winning collection of traditional carols and popular Christmas songs for young classical guitarists - playing solo or in groups. With separate melody parts and flexible accompaniments for up to four players, this versatile collection caters for mixed-ability groups and one-to-one lessons. The carefully arranged material (for players up to Grade 3 approximately) provides suitable technical challenges, and percussion and other effects to motivate young learners. Best of all, it contains tunes that children know and love.
