

In Art: Birds (Exploring Great Art)

We see birds every day, whether they are wild or pets. But do we think of them when we think of great art? Here is a picture book for students of all ages. A picture book of birds in art! Different colors, shapes, sizes. Some are only a small part of the picture, some are the focus of the artwork. Look through these paintings and photographs that span many centuries, and notice the similarities and the differences between them. See the colors, the textures, the backgrounds, and more.
