

Greenman and the Magic Forest A Pupils Book with Stickers and Pop-outs

Greenman and the Magic Forest is a three level pre-primary English course full of surprising adventures created to help children learn English naturally. The Pupils Book includes colour pages as well as stickers and pop-outs. The wide format and spiral binding are easy for young children to manage as they learn to locate pages with page numbers and work within the book. The book includes tear-off worksheets so the teacher has the option of sending home individual worksheets for pupils to review. On the back of each worksheet brief teachers notes have been provided, with song lyrics and key language.
