

Guitar for Kids (Music Instruction): Hal Leonard Guitar Method (Hal Leonard Guitar Method (Songbooks))

(Guitar Method). Guitar for Kids is a fun, easy course that teaches children to play guitar faster than ever before. Popular songs such as Yellow Submarine, Hokey Pokey, Im a Believer, Surfin U.S.A., This Land Is Your Land and Hound Dog keep students motivated, and the clean, simple page layouts ensure their attention remains focused on one concept at a time. The method is equally suitable for students using electric or acoustic guitars. It can be used in combination with a guitar teacher or parents, even if they've never had any musical training themselves. The accompanying audio features more than 30 tracks for demonstration and play-along. No tablature included.
