

Classics to Jazz * Mozart, Amadeus

The Classics to Jazz collection published by Santorella Publications features some of the most popular masterworks from four of the greatest musical geniuses in history. Each piece is first presented in its original form and then on the following page, it is arranged with a Jazz feel. The Classics to Jazz series is a great educational tool for the advancing pianist making the transition from Classical studies to the exciting world of Jazz Piano. These curiously irresistible melodies arranged by Jonathon Robbins will grab you as soon as you begin to play. Fun and exciting, these pieces will become the most played tunes in your library. This specific edition features the works of Wolfgang Amadeus Mozart (1756-1791). Wolfgang Amadeus Mozart is considered to be the ultimate master of melody. His brilliant mind captured the fantasies of many, hearts of some and the curiosity of all. This mysterious individual is certainly the most intriguing composer of all time. Heres a chance to experience some of his work in a whole different light, time and attitude. Minuet in G Presto Minuet in D Andante Sonata in C Minuet in F Largetto
