

# IT Application Service Offshoring: An Insiders Guide (Response Books)

Written by an author with extensive experience in offshoring in India and abroad, this book offers critical insights into and information about: the difference between offshoring and outsourcing; how to set up an offshore operation; how to evaluate offshore vendors; how to plan and execute an offshore delivery; how to design the offshore organization; how to customize delivery management and control processes for offshore operations; how to mature a new offshore operation; and how to read current business trends to prepare for the future of offshoring. The author has created a website for his book available from [www.offshoringbook.com](http://www.offshoringbook.com)
