

Jennies Nudes with Bling Choker - Erotic Art Nude Color Photography (Jennies Erotic Art Nudes Book 2)

Jennie is a very very good girl. This collection of images represent and provide shared moments of glorious joy with a woman confident in her nude sensuality. Able to model and maintain an amazing variety and range of hypnotically erotic expressions while holding a pose, Jennie is a joy to behold. With beautiful long wavy brunette locks and big beautiful expressive brown eyes, on a trim and busty firmly tanned body, Jennie is elegant, sensual and all woman. The 44 color images in Jennies Nudes with Bling Choker demonstrate the accentuation of womans curves by her expressions of character. A wide sparkly bling choker represents the common thread to this collection. It may be seen to appear in every image not otherwise tightly cropped or otherwise excluding Jennies elegant neck. As Jennie allows us to see her in her moments, we see she is powerful and vulnerable, and sensually beautiful beyond the ability of words to adequately describe. We are however feeling along with Jennie. Transported via these 44 erotic art nudes, we sense and share along with Jennie her feelings in these moments.
