

Magic work book for 4 year olds - Primer Level A-B: For the young beginner

Reading and writing are two of the most important ways to learn music. To have a break after learning and playing the exercises from Magic book A and B, it is time to relax and practice the theory in 3 steps before the end of each lesson. Write and practice the theory that you have learned during the lesson - write the notes, letters, numbers the value of the notes. Play the game noughts and crosses using the symbols that you have learned to help you to remember and understand the symbols and terminology, using it in music. Find the note/notes on the staff/stave in different orders that you have learned and add stems to them.
