

Moments Divine: Piano Collection

(Glory Sound). Arranger/composer Jimbo Stevens is no stranger to the church musician whether through his thoughtful chorals or his charming piano literature. He is able to capture great depth of beauty in his hymn arrangements while being sensitive to the difficulty level of his piano portfolios. As a church musician, he understands the hymns and sacred songs that speak to the congregation, and his original melodies can touch the heart in a special way. This will be a useful worship resource for years to come.
