

LANDSLIDE: Poor Management and How to Avoid It

Businesses are led by upper management, but businesses depend on the workforce. In *Landslide: Poor Management and How to Avoid It*, Eric addresses the affect of poor management on the employees that make businesses work. Eric uses real world examples to demonstrate poor management. He discusses how these examples have a negative affect then he presents solutions on how to avoid these scenarios. The synopsis is how to improve management from an employee perspective.
