Hidden away behind the doors of Kelton Mental Institution is a power unlike any the world has ever experienced. It has been locked away for so long that many no longer believe it exist. That was until Hannah finds it down the South Hall of Kelton. But should it have been found or forgotten along with the remainder of the untreatables. What Kelton kept locked away is only a taste of what is to come as a completely unknown world of angels, demons and the unforeseen beings, opens up or rather wakes up with the release of Room 102.
