

## Deeper Walk Guide to the Bible

The Deeper Walk Guide to the Bible helps you get a handle on the big picture of how the stories and events of the Bible fit together. It presents nine building blocks of biblical theology in a creative way that makes it easy to remember. By the time you finish this book, you should be able to explain the Bible and its core themes to others who are interested in understanding the Bible better. The material in this book is directly related to that in the Bible seminars taught by Deeper Walk International.
