

## Medallion of the Undead

A long soaking rain renews life to the farmlands of Kyle, the son of a widower farmer, but it also uncovers a 300 year old cursed medallion from an earlier age. With the power to create and control an undead army, the medallion is but one of a trio of artifacts created by a dark wizard bent on absolute subjugation of mankind. Can Kyle and his small group of companions break the curse and keep the medallion from its destiny before more innocents end up dead or worse... undead?
