

Celtic Fiddle Tunes for Solo and Ensemble - Violin 1 and 2

This collection contains 14 arrangements of 22 traditional tunes from Ireland and Scotland in a variety of styles including jigs, reels, hornpipes, slip jigs, strathspeys, waltzes and airs. The harmonies are written so that various combinations from solo instrument with piano to duets and trios to full string quartet/orchestra are possible. The violin book includes two violin parts with guitar chords and piano accompaniment. All of the Celtic Tunes for Solo and Ensemble books (Violin, Viola and Cello/Bass) are written as ensemble books, so they can be played as solo books or together as ensemble.
