

You Can Teach Yourself Guitar by Ear

If someone is singing a song or playing a melody, how can I know what chords I can play with it? This is a common question asked of guitar teachers and players. If you are the guitarist at a get-together, if you want to learn a song from a recording, or if you want to write your own songs - this book will show you the way. An indispensable book for the guitarist who wants to learn to improvise and accompany singers by ear, music reading ability is not required to benefit and learn from this method. This book, accompanying audio and video are a complete guide to playing the guitar by ear. Audio and video downloads available online.
