

More Than a Song: tips and tools for building a church music department

More Than a Song: Tips and Tools for Building a Church Music Department is a collection of essays written in short chapters to provide insight and suggestions for church leaders and music ministers as they develop their church's music department. Topics such as Training the Next Generation, Teaching Others to Hear Parts, Facilitating Worship in a Multicultural Church, and Designing a Worship Service will offer practical advice as well as provoke the reader to consider his own philosophy of church music ministry.
