

## A Guide to Personal Styling

This styling e-book is for all those who want to dress better and improve their personal style. It will help you determine your body shape and shows you step by step how to dress for your body shape and size, how to enhance your assets and draw attention away from problem areas. It will show you how to create your own capsule wardrobe with key pieces and how to mix and match items to create a variety of outfits. This e-book is filled with hundreds of styling tips and secrets including dealing with trends, how to make the most with accessories and ways to achieve effortless glamour and style. This is a must read for women who want to look fabulous and confident with minimum effort.
