

Premier Piano Course Technique, Bk 2B

Technique 2B continues and expands on the technical and artistic tools learned in Technique books 1A, 1B, and 2A. The seven new Technique Tools introduced are: three-note slurs, preparing quickly for hand crossings, feel the downbeat, finger stretches, legato pedal, finger 1 under finger 3, and finger 3 over finger 1. Artistic Etudes showcase a student's technique in an expressive musical setting, and Hands-Together Workshops focus on developing the skills necessary for coordinating hands-together playing. Masterwork etudes provide training to play standard masterworks. Each page in the Technique Book correlates with a specific page in the Lesson Book.
