

Schwartzs Manual of Surgery

Schwartzs Manual of Surgery has become the resource of choice for both practicing physicians, residents, and even surgical clerkship students who are interested in a comprehensive, yet concise on-the-job manual detailing the most current practices and trends. This edition reflects the most extensive revisions ever with a greater focus on surgical techniques and a superb array of new visuals including more tables, charts, highlighted topics, radiologic images, and surgical procedures throughout

New to this edition: staging tables for cancer, anesthesia guidance, pre-and-postoperative management of the surgical patient, and much more
