I first met Theresa LePre through Lightworkers, Healers and Spiritual Thrill-seekers. I was impressed right away with her dedication to truth, words of kindness and inner wisdom. Over time, I have come to appreciate her beautiful gifts all the more. She is the embodiment of kindness and has a truly wonderful outlook on life. She is an inspired teacher and has many lessons to share with the world. Her message is both simple and profound. It speaks directly to the hearts of those willing to hear and apply it. If you are seeking to grow, to learn and to transform your life, do yourself a favor and read what she has to say. Her book, *Explore Your Sacred Truth*, can lead you step by step through the process of recreating your life path. I would recommend the book for anyone seeking to connect with the greater truth that underlies everything. May blessings and peace follow you all your days. Victoria L.
