

Management Made Easy

Managers are busy people with objectives to meet day to day. Many managers do not have time to read hefty management text books or find time to develop further skills. Management made easy has an understanding of this and written in easy to absorb, bite-sized chunks. It gives an overview of the how to in managing people with top tips based on knowledge and experience. With managers time at a premium, the book is purposefully kept to a size that the busy manager may read within a couple of hours on a train, in a plane or at their leisure.
