

## The Diwesh Chronicles: Justice

They came from a far country. A family of Diwesh, a race noted for fighting skills. They came to the land of the Merene, where freedom had been taken away. The Rasset had forced the Resistance to a treaty giving them control over everyone in the Six Zones. Joining the Underground, the Diwesh work to return the country to the Merene. A mysterious island, a traitor, and a Cibth all make the task more difficult, but Hans has never had an easy life and, with his sons and daughters by his side, is willing to fight yet one more battle.
