

The Journey (The Insignificant) (Volume 1)

The Land of Armonia, Created by Ones, Recorded by the Keepers in the first tome, Argumentum I has many tales, The Journey being only one. Fourteen individual lives bordering on insignificant merge to challenge the greatest malice in a millennia. But before they join, each will discover something of themselves and the land they call Armonia. Odie the Innkeeper is at the center, but never leaves his inn. A dwarf, a gnome wizard and a human near-do-well are a strange trio. Four sexy and fierce fighting female warriors find duty goes farther than expected. Their brief encounters with the Ones will influence Armonia far more than the evil they seek to destroy.
