

The method and means of enjoying health, vigour, and long life adapting peculiar courses for different constitutions, ages, abilities, valetudinary ... customs, and passions of mind (1683)

## The method and means of enjoying health, vigour, and long life adapting peculiar courses for different constitutions, ages, abilities, valetudinary ... customs, and passions of mind (1683)

EARLY HISTORY OF MEDICINE, HEALTH & DISEASE. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. This series includes fascinating studies on the human brain from as early as the 16th century, as well as early studies on the physiological effects of tobacco use. Anatomy texts, medical treatises and wound treatments are also discussed, revealing the exponential development of medical theory and practice over more than two hundred years.
