

The Third Apprentice

To prove he has earned the rank of Master, one apprentice must wrest ultimate power from an ancient evil. A master sorcerer has unlocked the secret to eternal life and unlimited power. All he requires is an ancient symbol, long hidden in a land cursed by evil. With three apprentices who are willing to take on the challenge, he sends them on a perilous journey into the wild and risks losing all of them to achieve his ultimate goal. Apprentice Taren has dedicated his entire life to the study of magic. For the love of his elderly master, he will stop at nothing to retrieve the symbol. Thrust into a destiny he never expected, he must travel through uncharted lands to the tomb of an ancient sorceress. Along the way, he encounters an unlikely friend and no shortage of enemies. To complete this quest, he must forsake the life of a humble apprentice and unlock the potential within. He must prove himself a true master of the arcane.
