

Valcoria: Children of the Crystal Star

Jason King weaves powerful stories that grip the reader to the last word with a perfect blend of amazement, fear, love, and destiny... ~James Wymore, author of Theocracide and The Actuator History repeats itself like a song. The verses may vary, but the melody is always the same. The eastern empire of Aukasia has a new leader, a man who means to bring war to all the land. Yet, even in all his bloody ambition, he does not realize that he is but the puppet of a greater evil. Only the Kalyra - The Children of the Crystal Star - can stand against what's coming. Only they can protect the world of Valcoria from the mad hatred of the fallen god, Aedar. A new verse of the song has begun. The last verse...
