

The Warriors of Olympus

Over a long period of time. . . Four warrior kings were chosen by the Gods of Olympus. Their quest was to enter the realm of the Underworld, destroy it, and seal off the only way out. Panic settles in when the Titans escape, the Gods lose their God-hood, and a threat comes from Asgard. Then it becomes an all out battle between the Norse Gods and the Olympian Gods! Zeus vs Odin! Loki vs Hades! Zeus vs Thor! Poseidon vs Loki! Who will destroy all and rule both Asgard and Olympus!? Find out when you read this action packed adventure! This book is the final chapter of all my previous books. It is where all the characters come together in one story.
