

Keys to Success for English Language Learners (Key Series Audience-specific)

As part of the Keys to Success series, this chapter-sized segment provides success strategies specific to students for whom English is not a first language, to meet English language learners needs and circumstances. Keys to Success for English Language Learners is a concise and focused one-chapter-sized segment that validates and supports the particular needs of students for whom English is not a first language, whether they are identified as ESL (English as a Second Language), ELL (English Language Learner), LEP (Limited English Proficiency), or other student classifications. Students who are learning English have the challenge of language on top of the task of learning college-level material. In addition to providing support for the aspects of learning English while in college, this resource emphasizes the strengths and benefits these students have and can use, helping to combat the uncertainty and low self-esteem such students often experience. Cultural adjustment and success beyond graduation is also addressed. These materials are designed to increase the engagement and retention of the English language learner, benefiting learners as well as institutions.
