# Web Of Deceit: Forgotten Legacy, Book 3

Fakara is a desolate wasteland where law and order are foreign words. The land is ruled by tribes of ruthless bandits who exact tribute from the poor villagers. Web of Deceit tells the story of Rejji, a boy turning into a man, as his family and village are destroyed. With nowhere to turn, Rejji sets off with a young female thief in search of the Sage of the Mountain. Unknown to Rejji is the fact that he is the long-awaited prophetic figure of a Forgotten Legacy.   Follow the trials of Rejji as he is chased by armies of bandits, evil magicians, and slavers. Friends are few along his journey, and even those few are suspect.
