

A Modern Method for Guitar - Volume 2

(Berklee Press). Now available with audio! The William Leavitt guitar method, used as the basic text for the Berklee College of Music guitar program, has stood the test of time and earned a vast and loyal following of guitar students and instructors. After mastering the basics from Volume 1, this intermediate-level book continues and builds upon the study of melody, scales, arpeggios and chords, covering the entire fingerboard. This volume also addresses: intervals, chord voicings, improvisation, rhythm-guitar techniques, play-along duets and more.
