

Light Soul Dark Soul Book II (Volume 2)

Light Soul Dark Soul Book II is the continuing saga of a man that comes to find out that he was and still is an angel charged with defending all things light and good. His discovery yields power and knowledge, but also condemns him to a life on the run from the demons and monsters that he once slew. His journey leads him to an island where he must make a decision that could change the destiny of the entire universe.
